Q2 I came expecting...

Answered: 35 Skipped: 0

#	RESPONSES	DATE
1	to learn how data could help me improve student achievement	7/11/2018 3:48 PM
2	To have a greater understanding of how to use data	7/11/2018 3:48 PM
3	How to analyze data	7/11/2018 3:45 PM
4	To gain valuable strategies, to enhance my skills as an administrator.	7/11/2018 3:44 PM
5	to gain information how to move my school using the data from 2017-2018.	7/11/2018 3:43 PM
6	to learn more about data	7/11/2018 3:43 PM
7	To gain more insight on how to effectively use data to guide the initiatives of our schools.	7/11/2018 3:43 PM
8	I came expecting just to look at numbers.	7/11/2018 3:42 PM
9	I came expecting information as to how to extract data from various sources.	7/11/2018 3:42 PM
10	To analyze my school data	7/11/2018 3:42 PM
11	to look at the data from my school and dis aggregate it and be given strategies for improvement	7/11/2018 3:41 PM
12	how to utilize data to become a better instructional leader	7/11/2018 3:41 PM
13	to increase my knowledge base of strategies for effective leadership.	7/11/2018 3:40 PM
14	to learn how to utilize data to drive instruction.	7/11/2018 3:40 PM
15	To become more data conscience	7/11/2018 3:40 PM
16	to receive information about the way to look at data differently	7/11/2018 3:40 PM
17	to hear another lecture but was very impressed with the interaction with other districts and hands on.	7/11/2018 3:40 PM
18	to receive information and strategies that I can instantly take back and use right away.	7/11/2018 3:40 PM
19	to learn about different data sources and how to use them	7/11/2018 3:39 PM
20	a	7/11/2018 3:39 PM
21	I came replacing my Superintendent and didn't know what to expect	7/11/2018 3:39 PM
22	to gain more insight on how to be a great principal	7/11/2018 3:39 PM
23	Just a basic data information session, but it was so much more.	7/11/2018 3:39 PM
24	to gain more information on working with my data	7/11/2018 3:39 PM
25	to learn about data and that it would probably be boring.	7/11/2018 3:38 PM
26	to learn about data.	7/11/2018 3:38 PM
27	to work with school and district data.	7/11/2018 3:38 PM
28	To comb through our data in the usual ways	7/11/2018 3:38 PM
29	Ways to better understand Data	7/11/2018 3:38 PM
30	to play with numbers and look at my school data	7/11/2018 3:37 PM
31	To get a better understanding of data analysis.	7/11/2018 3:37 PM
32	Boring data discussions where we were beaten for poor performance	7/11/2018 3:37 PM
33	a discussion of numbers	7/11/2018 3:36 PM
34	To prepare a data story for my school.	7/11/2018 3:36 PM

Q3 I learned (or was reminded)...

Answered: 35 Skipped: 0

#	RESPONSES	DATE
1	it's okay to fail, but you must not allow failure to determine your destiny	7/11/2018 3:48 PM
2	The importance of looking at multiple points of data and how to make it user friendly	7/11/2018 3:48 PM
3	Different ways to look at data	7/11/2018 3:45 PM
4	I learned additional techniques in how to approach data.	7/11/2018 3:44 PM
5	to remain open and stay focus.	7/11/2018 3:43 PM
6	that data is the foundation of all things	7/11/2018 3:43 PM
7	We must have a set of standardized protocols for using data that will assist with implementing effective methods for reaching objectives and goals.	7/11/2018 3:43 PM
8	I learned data is more than analyzing numbers, the process is more involved, and there are a variety of factors that require us to look more closely at our staff and students.	7/11/2018 3:42 PM
9	I learned that data can be acquired from any thing. Data is not just demographic information that we tend to use and rely upon.	7/11/2018 3:42 PM
10	There are different ways to look at and use day to make the necessary changes for my school.	7/11/2018 3:42 PM
11	the teamwork that is involved the focus needed the data story I need to have	7/11/2018 3:41 PM
12	our children need us to do the best we can to ensure their success	7/11/2018 3:41 PM
13	a new strategy for monitoring teaching and learning through the student shadowing experience.	7/11/2018 3:40 PM
14	the different types of data, the three sojourners, and the eight ways to observe students.	7/11/2018 3:40 PM
15	I learned a great way to approach data and how to think about that data as a plan to improve student achievement	7/11/2018 3:40 PM
16	I am looking at data, but must take into consideration all data. Also I have to tell my story or someone will tell it and it is not the whole story.	7/11/2018 3:40 PM
17	that even though there may be discomfort with data it's ok, but it can friendly depending on how you are looking at it, and what's your intentions for using the data to move the school	7/11/2018 3:40 PM
18	that many of us are/have experienced very similar situations in our buildings/districts. We are all searching for the best possible strategies, guidance that are effective.	7/11/2018 3:40 PM
19	that data can come from so many sources also first find out what your goal is and then choose the right data that you will need to move forward	7/11/2018 3:39 PM
20	s	7/11/2018 3:39 PM
21	I was reminded of effective methods for accomplishing desired results I also learned a way to change how we do learning walks to discover trends and determine needy areas	7/11/2018 3:39 PM
22	how to better understand students and improve my school	7/11/2018 3:39 PM
23	That data can be view in so many different ways and you just can not think numbers.	7/11/2018 3:39 PM
24	was reminded that I deal with data of some sort all the time.	7/11/2018 3:39 PM
25	to consider data in many forms. It's not just about numbers in many cases.	7/11/2018 3:38 PM
26	about the different types of data and how to use the data effectively to move my school.	7/11/2018 3:38 PM
27	that each school has a data story.	7/11/2018 3:38 PM
28	a better way to think about and present my data	7/11/2018 3:38 PM
29	Different ways to focus on data	7/11/2018 3:38 PM

30	that the work I do each day is important. That data is critical in moving a school forward and giving the best to our students.	7/11/2018 3:37 PM
31	I was reminded that we are doing things the right way at my school.	7/11/2018 3:37 PM
32	I was reminded to bring data from all sources.	7/11/2018 3:37 PM
33	data collection is more than number collection	7/11/2018 3:36 PM
34	That we should illuminate data, not hammer it.	7/11/2018 3:36 PM
35	that as a leader you are always designing and building in some form or capacity	7/11/2018 3:36 PM

Q4 I was surprised...

Answered: 35 Skipped: 0

#	RESPONSES	DATE
1	I don't a surprise to share at this time.	7/11/2018 3:48 PM
2	At how many different ways data can be collected and used.	7/11/2018 3:48 PM
3	Some of the experiences that other administrators have	7/11/2018 3:45 PM
4	I was surprised by the impact that shadowing a student can have on a building, especially those students that are at-risk or high flyers.	7/11/2018 3:44 PM
5	when collaborating with other districts, I was not in this alone.	7/11/2018 3:43 PM
6	was surprised of how my data story looked	7/11/2018 3:43 PM
7	During the session, I was not surprised at the strategies shared but was motivated to reevaluate the way I review and use data in our schools.	7/11/2018 3:43 PM
8	I was to find that there was a high level of quality interaction throughout our data journey.	7/11/2018 3:42 PM
9	Nothing really	7/11/2018 3:42 PM
10	The sessions were interactive and engaging.	7/11/2018 3:42 PM
11	that I did not get the information and strategies I needed to move my school forward	7/11/2018 3:41 PM
12	the effectiveness of RRVEC, collaboration is key	7/11/2018 3:41 PM
13	to find out that other districts have some of the same challenges that we have.	7/11/2018 3:40 PM
14	that the workshop was very engaging and interactive.	7/11/2018 3:40 PM
15	at the fun activities and insight of Dr. Burks lecture	7/11/2018 3:40 PM
16	about the number principals in attendance that have similar issues that I have encountered	7/11/2018 3:40 PM
17	to know that it's ok not to beat yourself up if your data is not where you think it ought to be. Use other data pieces also to go along with the tested area data. the data piece you are not using is the one to help move in the direction you would like to go.	7/11/2018 3:40 PM
18	when I had to create an image of what our data represented. However, it was a great exercise that required critical thinking.	7/11/2018 3:40 PM
19	at how engaging the sessions were for the entire duration of time	7/11/2018 3:39 PM
20	a	7/11/2018 3:39 PM
21	I was surprised at the information gleaned from the Focus Ring activity	7/11/2018 3:39 PM
22	to hear that Dr. Boone went through some of the same things that I am now going through with staff.	7/11/2018 3:39 PM
23	how engaging the activities were the last two days.	7/11/2018 3:39 PM
24	that all the information that I was introduced to ws very helpful	7/11/2018 3:39 PM
25	that the sessions were in no way boring but excellent in every way.	7/11/2018 3:38 PM
26	to learn about the 8 common practices of high performing schools.	7/11/2018 3:38 PM
27	that we did not delve deeper into data.	7/11/2018 3:38 PM
28	to know that I could recognize my new baby without any problems and recognize the school that I had just left.	7/11/2018 3:38 PM
29	When i learned about experiences from other adminisstrators	7/11/2018 3:38 PM
30	that the sessions had "other" meat/information that related to data but was not necessarily impacted by the actual numbers	7/11/2018 3:37 PM

31	At some of the practices and ways that the material was presented. Very nice!	7/11/2018 3:37 PM
32	I was surprised by the video of the classroom, where everyone thought the teacher was doing poorly. I thought it was an okay lesson.	7/11/2018 3:37 PM
33	that the session was engaging	7/11/2018 3:36 PM
34	That the session was both informative and entertaining.	7/11/2018 3:36 PM
35	that the workshop was not drawn out or boring	7/11/2018 3:36 PM

Q5 I think an important "Next Step" is...

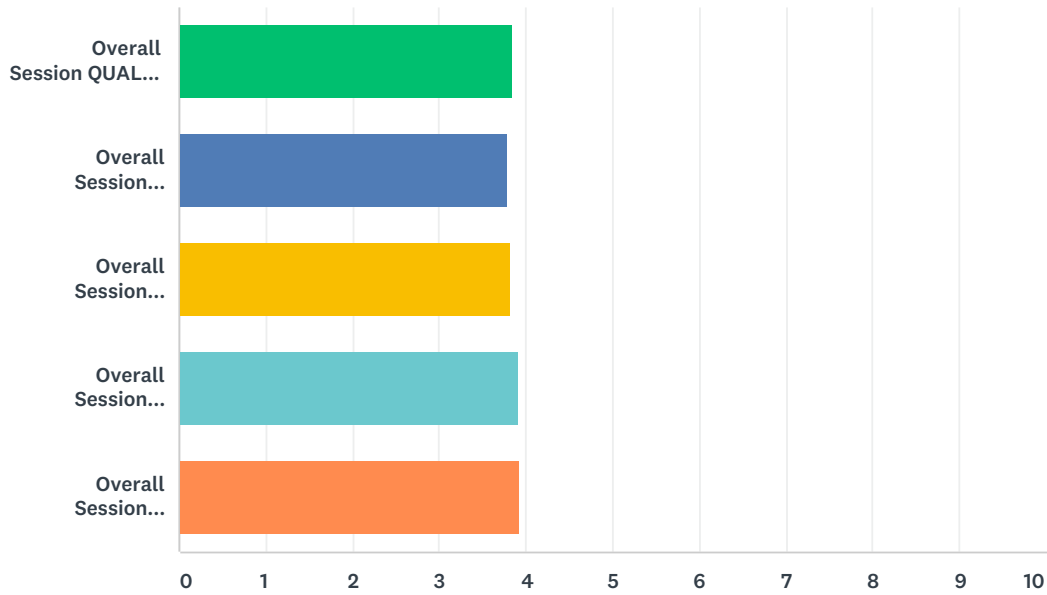

Answered: 35 Skipped: 0

#	RESPONSES	DATE
1	An important step for me is to continue to stay "with it."	7/11/2018 3:48 PM
2	Take time to unpack all the information presented and determine how to best use it for my school	7/11/2018 3:48 PM
3	Review and Apply	7/11/2018 3:45 PM
4	I think it is important for me to utilize some of the techniques gained, to help enhance my teachers' ability to effectively utilize data, to further promote student academic growth.	7/11/2018 3:44 PM
5	continue networking with other administrators, analyze data consistently.	7/11/2018 3:43 PM
6	continue to use data in everyday	7/11/2018 3:43 PM
7	To intentionally plan and implement data sessions that will be more focused.	7/11/2018 3:43 PM
8	I look forward to sharing the wonderful team building activities with my staff with the focus of strategically changing mindset.	7/11/2018 3:42 PM
9	Next step is to speak with Dr. Boone about his House System so that we can create a more cohesive system within the school. Identify the areas I want to focus upon for the upcoming year. Establish the end date and middle date to review and tweet and end date.	7/11/2018 3:42 PM
10	It is important to have conversation with my staff about what we will do differently.	7/11/2018 3:42 PM
11	Create our data story with staff Make sure walk throughs are completed at least once monthly for each teacher	7/11/2018 3:41 PM
12	have a refresher quarterly	7/11/2018 3:41 PM
13	for our district principals to determine how we can best implement the new learning into our current practices.	7/11/2018 3:40 PM
14	to differentiate the group session (example assistant principals, principals, and district leaders.)	7/11/2018 3:40 PM
15	to review what I have learned and start the planning process to my schools success.	7/11/2018 3:40 PM
16	to implement the strategies and thoughts that were shared. Complete a great "data" story for my school and where it has been and where it stands right now	7/11/2018 3:40 PM
17	Target administrators that's afraid to utilize all available data	7/11/2018 3:40 PM
18	to implement some of what was shared, especially knowing the "WHY" of our "What"	7/11/2018 3:40 PM
19	to take this group of administrators on the road with you...just kidding...to do follow up in the future with this same group	7/11/2018 3:39 PM
20	s	7/11/2018 3:39 PM
21	I think an important next step would be to pick one aspect of the session and begin a discussion leading to implementation within districts and schools	7/11/2018 3:39 PM
22	to use the new strategies gained from these two days to use with staff and students as soon as possible; making changes to expect change.	7/11/2018 3:39 PM
23	to build on what was learned today.	7/11/2018 3:39 PM
24	to apply the information to my practice at my school	7/11/2018 3:39 PM
25	to bring my teachers on board with this type data session.	7/11/2018 3:38 PM
26	take the information that was shared and have a clear focus on a few things that was shared to improve the overall student performance at the school.	7/11/2018 3:38 PM
27	to delve into actual school data.	7/11/2018 3:38 PM
28	To transfer this learning to my staff at the start of this school year to set a more focused purpose.	7/11/2018 3:38 PM

29	To review and apply what as learned	7/11/2018 3:38 PM
30	sending out a list of contact information from everyone here so that we can remain connected. Also, taking the information and applying it for the upcoming school year.	7/11/2018 3:37 PM
31	Keep the conversation going between district administration and to get the school personnel to own their data.	7/11/2018 3:37 PM
32	I am going to use my data to guide my next steps, especially my teacher working conditions survey.	7/11/2018 3:37 PM
33	teaching our teachers how to view and understand data collection differently	7/11/2018 3:36 PM
34	Write an excellent elevator speech to highlight my school's success!	7/11/2018 3:36 PM
35	reflection	7/11/2018 3:36 PM

Q6 I assign these grades based on my experiences:

Answered: 34 Skipped: 1

	4 OR A	3 OR B	2 OR C	1 OR D	0 OR NOT YET	TOTAL	WEIGHTED AVERAGE
Overall Session QUALITY OF CONTENT/INFORMATION	85.29% 29	14.71% 5	0.00% 0	0.00% 0	0.00% 0	34	3.85
Overall Session FORMAT/STYLE	79.41% 27	20.59% 7	0.00% 0	0.00% 0	0.00% 0	34	3.79
Overall Session QUANTITY OF CONTENT/INFORMATION	82.35% 28	17.65% 6	0.00% 0	0.00% 0	0.00% 0	34	3.82
Overall Session PACING/FLOW	91.18% 31	8.82% 3	0.00% 0	0.00% 0	0.00% 0	34	3.91
Overall Session INTERACTION/ENGAGEMENT	94.12% 32	5.88% 2	0.00% 0	0.00% 0	0.00% 0	34	3.94

Q7 OPTIONAL: I have these specific comments about for DR. BURKS about the facilitation:

Answered: 20 Skipped: 15

#	RESPONSES	DATE
1	Dr. Burks did a great in facilitating data activities for my Professional Learning.	7/11/2018 3:51 PM
2	I had no choice, but to rise to the occasion!!! Thank you Dr. Burke.	7/11/2018 3:50 PM
3	Dr. Burks did an outstanding job presenting information that normally is a little difficult to understand.	7/11/2018 3:49 PM
4	It was a fantastic session.	7/11/2018 3:44 PM
5	Dr. Burks is very intentional in everything that he does.	7/11/2018 3:43 PM
6	Please send out contact information.	7/11/2018 3:43 PM
7	Thank you for sharing your insights and wealth of knowledge with us. Strategies and information that you shared was practical!	7/11/2018 3:42 PM
8	outstanding facilitation	7/11/2018 3:42 PM
9	Great Work!!!	7/11/2018 3:41 PM
10	I encourage Dr. Burks to continue doing the phenomenal work that he does!	7/11/2018 3:41 PM
11	Thank you for sharing such valuable information in such a caring and supportive way.	7/11/2018 3:41 PM
12	Continue to present in the non threatening manner that you presented to us..it was well received because of the way you presented	7/11/2018 3:41 PM
13	The session was well worth my time.	7/11/2018 3:40 PM
14	Great gift for presenter.	7/11/2018 3:40 PM
15	This has been one of the most meaningful sessions that I have been a part of in a long time. The information was relevant and practical. I have many aha moments through various conversations.	7/11/2018 3:39 PM
16	Excellent keep up the good work and good luck with the adoption. Good to see other black men doing well.	7/11/2018 3:39 PM
17	Great use of humor and making it relevant and real to connect to the participants.	7/11/2018 3:38 PM
18	I believe that he did an outstanding job with the material and the presentation.	7/11/2018 3:38 PM
19	It was outstanding. No comments at this time.	7/11/2018 3:36 PM
20	Great facilitator	7/11/2018 3:36 PM
